

Accessibility Notice for Dr. Teranda Knight, Virtually Renowned Consulting Access LLC

At Virtually Renowned Consulting Access LLC, we are committed to ensuring that our website is accessible to everyone, including individuals with disabilities. Dr. Teranda Knight, our behavioral health specialist, believes in the importance of providing inclusive and equitable access to integrated behavioral healthcare resources in higher education.

Website Accessibility Features:

1. *Design and Navigation:*

- Our website is designed with accessibility in mind, featuring clear navigation and an intuitive layout to help users easily find information about our services, including blogs, consultations, training, education, and our online store.

2. *Assistive Technology:*

- The website is compatible with various assistive technologies, including screen readers and text-to-speech software, to enhance the experience of users with visual impairments.

3. *Text Size and Contrast:*

- Users can adjust text size and color contrast to meet their individual needs, ensuring a comfortable reading experience.

4. *Forms and Requests:*

- All forms on our site, including those for consultations and training requests, are designed to be accessible. We provide alternative ways to submit forms upon request for users who may face difficulties using the online system.

5. *Feedback:*

- We welcome feedback on how we can improve our website's accessibility. If you encounter any barriers while using our site, please contact us directly at [contact email/phone number]. Your input is invaluable in helping us enhance our resources and services.

Commitment to Continuous Improvement:

We are continuously assessing and improving our website's accessibility features to ensure that they remain up to date with the latest standards and best practices. Our goal is to create an inclusive online environment that promotes access to behavioral health resources for all users.

Thank you for choosing Virtually Renowned Consulting Access LLC. We are here to support you on your journey toward integrated behavioral healthcare in higher education.
